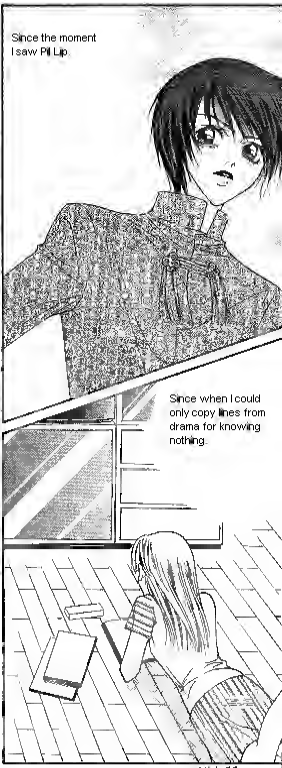
There was something
I've been wanting



Since the moment
I saw Pil Lip
Since when I could
only copy lines from
drama for knowing
nothing.

I hoped that oneday my scenario would see light ...
I wanted to see Pi Lip act ng accord ng to my scenar o
About th s sensat on

I cannot explain with words ....
They were only words written on lifeless papers
Now they are given life and alive

?
Shining
He Ra ?
What s wrong?
You guys are
shining stars
You are
great
That's something
I am surprised
actually

Refreshing and unique ?
Your scenario makes us want to act
I must admire you for being able to write something like this
Hmm ... it's wonderful wonderful

Uwaaaaang !
It was us who praised. Why did she go there?
Thank you guys, You guys are so nice.

Love love ?
When d d they become Ike that?
Sorry
What ?
Are you ok ?
Yes

Cheer up !
You still have me !
Hmm ...
Eh?

불쌍한 게

저런 거였군
I am still n love
with He Ra
As a matter of fact ,
Jun Yeong
I do not want

JS

But
My best friend, Ye myeong,
and a girl I love,
they look so happy together ...
Yep !
Huh ?!

Practice,

We don't have
much time !
And

I believe you
will be with me....
The same as
always.

JS
No improvement at all
At this rate, we don't even need to have a bet,
You see Ye Myeong told me that it s because I have too much of mag nat on
That s why it does not fi n a drama

Are you two going out ?
Hmm, I see...
But would you still have the guts to follow him to England ?
It was you who called the school, right?

You really don't get it, do you?
So what? I am just preparing.
The bet is even ....
The reason I put up with such a ch ld sh condit on was to g ve Ye Myeong me to prepare it wasn't for you
Remember that I can take h m away from you anyt me I des re

He is my son.
Ye Myeong s
more than
just your son
꽉

He is a student in my class.
He's PILp and Jun Yeong's frend
He is a scenario writer at a TV station.
He is also your son
But you've never been with him when he really needed you

Just because you are his mother ,,
it does not give you the right to
destroy every relationship
he has. Don't you think so?
If not,
You are the one
who is really
selfish

You
And
Ye Myeong s
JS
Also
my boyfriend !
Hmmm....
Let's finish this
at there for now ....
How about
you ?

Yes?
A (super or) person l ke Ye Myeong s help ng a (useless) person ke you for no charge You must be grateful r ght?
Th nk
Sympathy and love are similar emotions.
Maybe it s you who got it all wrong

No,
I've got it right
Are you sure ?
Yes! Because

I don't feel that
I am n love with you
Are you stup d ?
That s a reason ?
I mean
I respect you
and thank
you
from bottom
of my heart

And for that
Jjajan -
festival tickets !
We will be doing it in a small auditorium rather than an actual stage though
So you must come and see ! !
I am confident !

She is really the strongest...
(Maybe she is immune to our bloodline.)
ふーん
You will see
You will just have to approve in the end mother

No -
To a little left.
Today is the day -
Happy and anx ous. I am m xed with emot ons
Leave it to us !
Maekup and coordination will be taken care of by professionals.
thank you, thank you.
you don't have to thank
Man ... even though we are doing it,
I can't believe you are doing the princess....

I can foresee you will be laughed at.
Anyway, be prepared to be yelled at by the manager, a princess..., you are breaking your commercial image, you know.
I have to do love scene with Pil Lip !
Anyway, will I be all right?
I mean, won't Pil Lip laugh at me?
Don't worry,
뒤지 뒤적
It's an old trick, but it will work.

A princess' wig !
컥!
으악 싫어
(Uwaack - NO)
Jun Yeong ...

Are you done yet ?
Hey- don't come in !!
Wow...

You are really pretty with makeup on.
Shut up
You look awesome. I really mean it

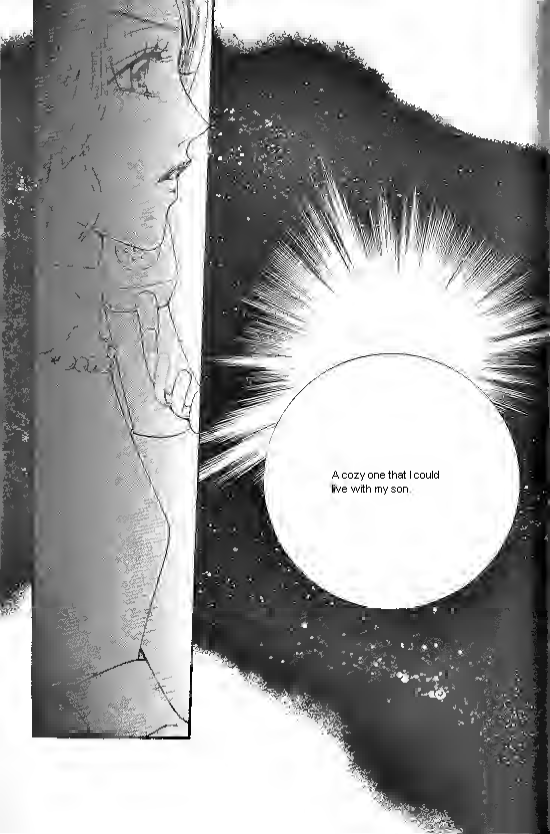
I thought you were harsh and had bad personality
A mean bra n user and no humanity at all
Read volume 1
And I thought you had sp it personality
At f rst
But I was able to get here wth your help
I thank you

That's all ?
Huh?
Don't forget the contract
If you are thankful pay back by living with me forever

What I asked you
is it ready ?
Ah
Ye Myeong ?
Of course
he refuses

JS
He doesn't know what's good for him
Is Phillip Lee really going to be here?
Yeah I think so
The audences are here
The seats are full and many more couldn't find seats
No matter how smart he's he is only a child

It's amazing,
He Ra !
It's beginning !
At last!
Everyone
do your best!
I need an
apartment n
England



A cozy one that I could live with my son.

The story begun
decades ago

JS
There was a mage n a peaceful v llage
It shall be a b rd upon my command
Although he was an apprent ce of a famous mage
H s actualy sk ll for mag c was not so good

He had a f ancee
(I am glad I am do ng th s)
However she left say ng she d come back when he become a real mage
Wait !
To get h s lovely f ancee back the heartbroken mage
stuck h mself in h s home and stu ded hard
So 1 year 2 years passed and much more me was spent
JS
Mink 51

At last, the mage left his home and faced the outside.
For some reason the villagers were gathered around
Hm ? it's quite noisy there
It was the day for the birth of princess Aurora
와글

I am the beauty of the aurora of northern sky.
My voice is like bird's.
The three fairies also visited to see her.
I am
The mage who was looking at the party suddenly shouted with astonishment.
You are ... !!
It cannot be !
That s right
The queen was a woman who was once h s f ancee

The late prec ous
prncess
I shall let you
l ve wth everyone's
bless ng and love
But only
until you are
16 years old !
I shall g ve you
a present

On her 16th birthday !
The princess Aurora shall hurt her hand by a spinning wheel and shall be demised !
On the same age when you promised your eternal love to me !
It was an aston sh ng curse
Ahah what should we do
Do not worry my queen
For the thrd fary s pray the princess was able to save her l fe However she fell nto eternal sleep
She w ll fall nto sleep after hurt ng her hand by the sp nn ng wheel
She shall wake up when her true love k ss her
The clt zens of the country threw away all ava lable sp nn ng wheels

Despite the curse, the pr ncess grew up flawlessly and beaut fully
And the mage observed her
Pr ncess
She became 5 years old
아하하
10 years old
Pr ncess Aurora
And her 16th b rthday came

JS
Yes,
I know that I must
wear a dress today
I know that !
Jun Yeong Seo
disguised (?) herself
as a woman ?!
But pretty!
Hm ?

Who are you?
... Princess, today is...

Ah!
A suspicious man!
You stop there!
Are you all right?
Yeah
For some reason
he gave me an impression of beloved

Your highness you are going to be late for the ceremony
Ah!
The party lasted until late night
The princess returned to her room with tiredness
She spotted an item she had never seen in her life
Ah! I am exhausted
it's not easy being a princess
Huh?

What's this ?
Ah -
Bleeding
Ah
What's this ?
Somehow I feel very sleepy
KKyaack ! This cannot be !
Princess Aurora !

The whole country was covered by darkness.
It fell asleep with the princess
Yes . . .
This is my revenge ....

JS
It s only revenge
But why
Why am I not pleased at all ?

In a dark tower where no one l ved and v sted
The mage kept look ng at the sleep ng pr ncess
10 years passed
팟
20 years passed
After a really long t me passed the mage f nally realized

Wh le he was with her
to revenge he fell n love
with her
What have I done ?
Can't you hear me
pr ncess !
Pr ncess
open your eyes
No matter how many
t mes he called
she d d not reply
She kept on sleep ng
for h s own curse

Please hear me
Uh? Th s mus c s the duet song of P I L p and Jun Yeong
We have not yet had any memor es and moments together
Forg ve me Open your eyes for me
Looks Ike they changed the lyr c

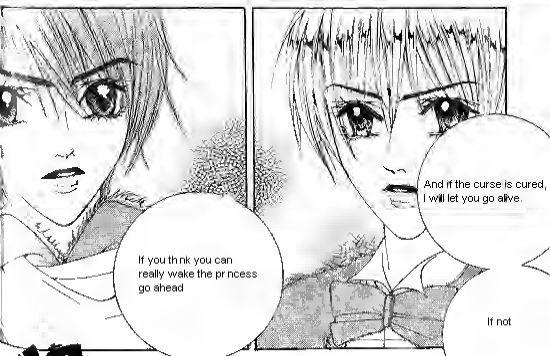
What a voice !
It s echo ng in th s hall!
I am about to cry
I w ll wait
The mage regretted and regretted He wanted to f n sh the curse but there was no way
Except for what the 3rd fairy said

A kiss from a true love
Prince -
Please don't play games everyday and listen to me !
What ~
If you have someth ng to say say so
I w ll l sten to you at least
The pr ce plays games?
So cute
Have you heard of the rumor that a sleep ng pr ncess ex sts n our ne ghbor country?
Yeah, why ?

Either you cure the princess' curse or marry the woman we've picked for you.
If you choose neither, your credit card and money will be prohibited.
What ?!
According to rumors, it is said that she is very beautiful ....
I don't need that !!
Not to mention she is rich !
If you cure her curse and marry her you w ll have a v rtual gold m ne with you
Even f you don't marry her you w ll still do be ng a favor and rewarded most l kely

All right !
I will try then !
The coversat on was a little awkward but cute
Who s he? He looks all right
Therefore the pr nce went on a venture
Uh? what s th s ?
The pr nce had no skill as an adventurer but was very lucky
Ah! 4 leaf clover !
He avo ded all the traps and confronted the mage f nally
펄

You've come
this far



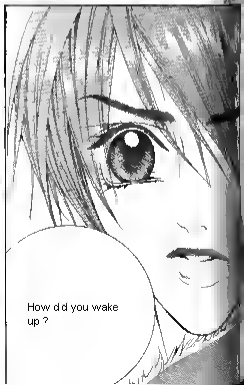
If you think you can
really wake the princess
go ahead
And if the curse is cured,
I will let you go alive.
If not

The prince was surprised
I will kill you
Then
You go ahead first
What ? What are you saying ?
Go on kiss the princess
You are the one who came here to rescure her !
You do first !

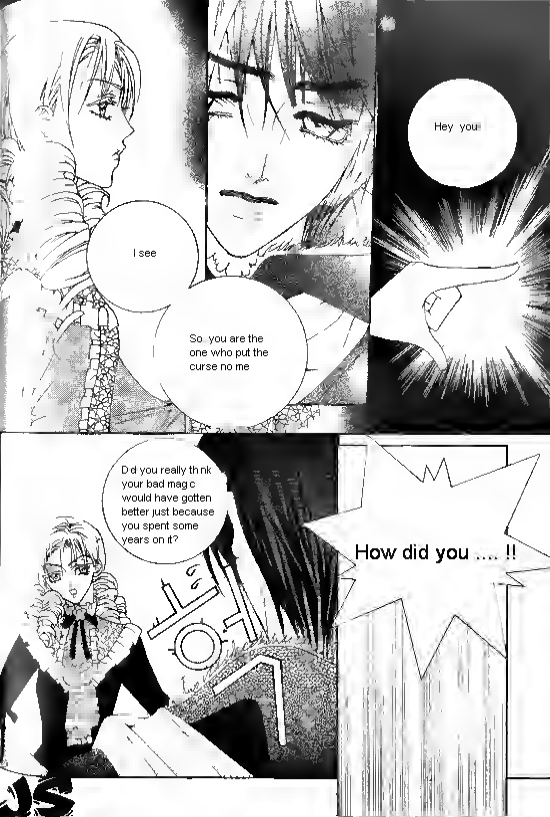
I came here for money !
I don't want to risk my life !
Shut up !
Hey, you two !
I heard you

Just what do you think woman's pride is ?
But not n a femn ne pose

How can th s be



How d d you wake up ?



Hey you!
I see
So you are the one who put the curse no me
How did you .... !!
Did you really think your bad magic would have gotten better just because you spent some years on it?

My mother told me
She always regretted how she left you
And if I do get cursed,
it'd be because of her rather than you.
JS

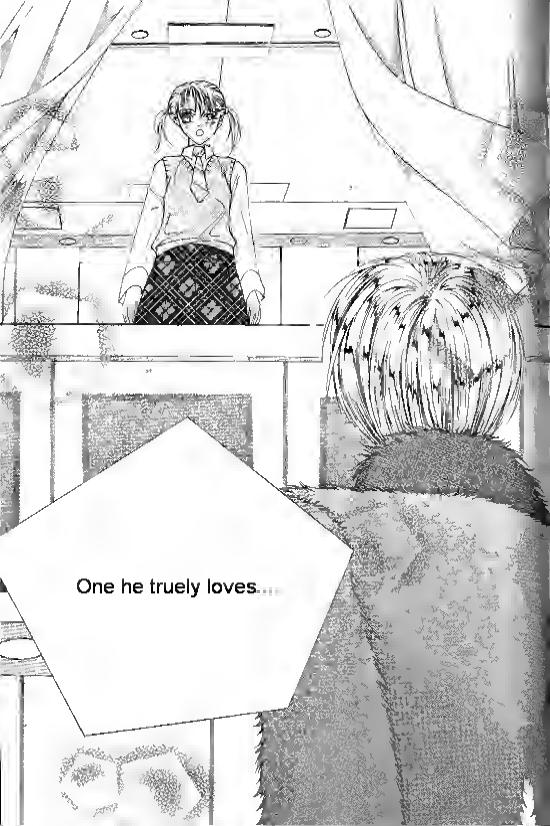
I love you.
Are you saying.... you have been conscious for a long time?
I love you.
Yes.
I love you.....
You were so no sy that I couldn't sleep well

It was you right ?
Yes
Do you love me ?

Yes
It was a surpr s ng
moment

At the same moment, the sky became brighter and everything began to have life once again.
A true kiss from a true love the curse was cured
He Ra wait
Huh?
Sorry. Ye Myeong asked th s
So the pr ncess who woke up from her long sleep marr ed the mage

They lved happ ly ever after
Now, what happened to the pr nce ?
Uh? The narrator s vo ce changed
The pr nce dec ded to seek for h s own love
And he f nally met one
Hey don't push me What s th s ?



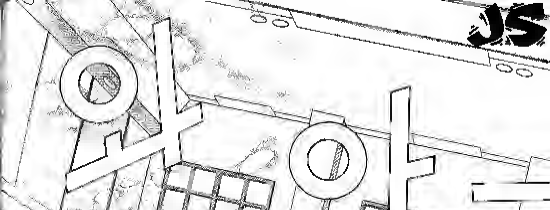
One he truely loves.....

Come down
Come on
Eh ?

ウルト

Father !
And mother !

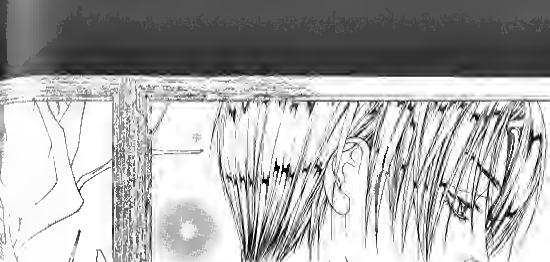
As you see, she
s not r ch or
a pr ncess
But I w ll marry her
since when
He Ra was
supposed to
do that?
no deal
Because she s the one
I truely want



야야

So, he said that to me, huh.
Doing such a stupid cast and all
Really

It appears that my son
has ndeed changed too much whle I was away



Hello
I am He Ra
a scenar o
wrter wannabe
Maybe I can
call myself
a wrter now
Heh~
The play was
f n shed
successfully
and all I need s

from her
Hello -

Welcome
Juice ??
You must be tired
Here have this
Thanks
Um
ma am

Um
about the play
Hmm ?
You saw it
right ?
How was it ?
...All right,
I will approve

And then
But Ye Myeong s a d fferent matter
My ntent on to br ng h m to England has not changed
But
It was last year

when I just collapsed for no reason n England
Eh ?!
When I regained consciousness no one was there
There was no one who was worried about me. It was me, all alone.
It was the moment I felt I should not be separated with my only son

I felt like this
How have he been
feeling all the time
I thought
As a parent and a
senior in workfield
I can do many things
for him
Much more than
what he did gain from
staying here
You know what
I mean right?

I know you are old enough to understand what I am say ng
Good bye
What s wth that dark aura ?
I am home

Hey what s wrong?
What happened ?
I will save money
and follow
you !
You will see !
I w ll save
money
What was that
all about
Just l ke
what she sa d

Wouldn't it be good, reuniting in England.
Mother !!
Forget it. Don't tell me you also are going to tell me about the bet.
You don't know.
You may have accomplished a lot and may think being alone is fine.

JS
How about that,
When everyth ng you stand for is destroyed
But destroy ng what you ve accompl shed so far
s a p ece of cake for me
would you still insist to remain in this country?

You want to br ng your son along but a total stranger r ght?
Well, I don't think that will happen.

So, he means, if I do that
he s go ng to break up the
relat onsh p completely huh
I am not go ng to benefit
ether way

JS
Did you watch the enterta nment news ?
They displayed our play for 7 minutes !
I think it's probably because we were top idols though.
Fine, would you just get out of here? You are messing me up !
So ?! What did she say ?!
.....

I envy you for being able to be happy stupidly
What ?
Uh? You guys are here
Ah! Hello!
I watched the news yesterday it was nice
Oh and grats on being top number one with your duet song
Thank you
You think so ?

Well no matter what dols do they always get the number one anyway
I should leave th s rotten enterta n ng bus ness or someth ng
How about you say that after beat ng me at least once?

Rather than mumbl ng around beh nd others back
What ...

You ...
won't ...
Huh?
I can't read.
?
You won't even
Aha - you've found me at last
Ji Uoo Han !
How dare you !

Aaaah, my stomach hurts
Are you ok?
My stomach always hurts whenever I see losers
Damn it !
Calm down.
Why do you always mind them anyway?

No . . .
It's him,
Ji Uoo Han . . .
He always looks down at me
You will see
I will teach him what happens if you mess up with seniors in this field
Ah~
This is bad
I cannot find a way to make money

Money? Do you need money, He Ra ?
Want me to loan you some ?
No, no, I need a large sum of money.
Well, I have like XXX amount of money in my account. Do you need more than that ?
Will you really let me borrow ?
Sure
No, it's ok. I was just saying that.
Why not? You can pay back after you become a writer.
I envy you for being able to be just happy always
JS

I somehow felt like I was being treated like an idiot.
Hey - Let's go.
Dark
They are dark
Don't try to come up with ideas

What she said wasn't wrong
Maybe it s better for you to go there
I will never go to England.
But .....
I w ll dec de that
If you want to go I w ll take you there after we graduate

.....!
.....!!!
Really ?
Promise ?
Yeah
A free trip
to England
that's the most
important to you ?

JS
Eh ?
What's this ?
Ah ! hello !
You are the famous writer, He Jn Hyeon ' s son and a h gh school scenar o wrlter
J Uoo Han r ght ?

JS
What ?
파
What is this ?
Every art cle
s negat ve
Who the hell
wrote th ese?
Um
I am sorry but

Is that such a big deal? To me, it seems ...
It's complicated in his case.
First of all, in order to be a legal scenario writer, you must graduate a course from a university and gain experience for about 2 or 3 years.
.....
Besides everyone knows he's a close friend of PHILIP's and every drama he has written PHILIP's the main character.
And most importantly, he is He Jin Hyeon's son.
If people read all these they will come to a conclusion that they planned this to happen and make PHILIP an idol

They won't care even if he does really have the skill.
That's ....
.....
The reporters are probably already at my apartment
I guess I w ll sleep over at your place
Ah Of course
See you tomorrow
.....!
JS

I feel very nsecure
Why does it matter now that he s a high school scenario writer ?
Why all the sudden
Ah
Ok
JS

Ye Myeong Han !
Are you here ?
Ah, yes
Come to the staff room right now
교무실
So

The school d d not know your c rcumstance With the event we are hardly able to refuse the nterv ew calls and the ke
I understand it is not your fault, but it is beginning to effect students' study in a more serious way. Besides, the final exam is coming soon.
That said,
As you know, our school has many entertainers compared to others.
Your mother has been talking about transferring you to England. What do you think?
JS

I think this is a good time, don't you think ?
Ye Myeong!
Yes!
The PD is calling you!

What is this ?
Open it.
Does th s mean I am f red ?

Ji Uoo Han,
27 years old.
Graduated from X university.....
Won a reward in MNC academy.....
I did not want to do this, but people above decided so.
That was your resume when you joned us
.....In another word I am fired
Complaints from too many people
And the apprentices are strongly standing against this.

If they f nd out we knew your true dentity from the beg nn g we w ll be n a more ser ous trouble
I know you are very talented and exper enced but I cannot help you for now
I see
In the end noth ng can be done
JS

It s a p ece of cake
What I have worked so hard to accompl sh
has been destroyed so eas ly
!
Destroying what you have accomplished

Welcome home
Could it be ?
You d d come home last n ght I see you ve become qute famous

Don't you feel uneasy at school ?
You feel uneasy being in Korea, right ?
You are going with me, right?
Let's celebrate ...
What the hell

What the hell are you to do this ?!
I have never complainted while you were gone !
No way would you know ! You hadn't even contacted me for over a year !
Do you have any idea how hard it was to manage work and school at the same time ?!
And now you butt in and say this is for me ?! That's ridiculous !

How could you ... !
Ye Myeong, wait ....
Never again ...
I do not want to see your face ever again!
JS

광
Does he ...
Could he be
Ye Myeong !
1
th nking I ve done th s ?
JS

Man
I've already given up taking you with me .....
I do not want to see your face ever again !
Ahah ... th s has gotten out of control

Let s f nd out who has pushed my son to such an edge
It looks l ke th s w ll be my very fr st favor I w ll do to h m as h s mom

Hello
Th s s He Ra
I am errr
more worr ed
about my
boyfr end than
be ng a scenar o
wr ter currently
He s not answer ng
calls
I have no dea what
s gong on So all I
can do s sgh
JS

Meet me outside.
Outside... where ?
Ah...!
What's up at this hour ?
.....
He called me out all right. But he doesn't say anything...

Then I guess I will ask first
Why did you not ...
I am sorry..
The promise ... I may not be able to keep it.
I was fired from the studio and looks like I cannot go to school either
I have no where else to go now
Eh ?
How come
The article ...

Your mother did ... ?!
I've worked so hard for what ?
For something that would collapse this easily ?
What have I lived for ?
How funny
I've been acting arrogant all this time and what I've become is nothing

Ye Myeong !
Don't say that
It s not so like you
You still have me Pil Lip and Jun Yeong
So strengthen up

Like when Pil Lip was in a trouble and now,
There is nothing I can do !
Why can't I do anyth ng for me
All I could do was ... cheer them up ...

So, Ye Myeong is no more ?
I heard he went to England.
While my heart hurts so much .
Well I haven't been able to contact him. So I am worried as well
I can't tell them he is staying at my place
Do you know what happened PILip ?
Ah ! Isn't that the professor Hyeon ?

Ah
It s you
PILp
Right
bro ?
You are a fr end
of my son r ght?
Can we talk ?
Ah
yes
Oh=
I see=
Phew
No we are not

JS

It may be about cast ng of a new upcom ng program
Here I Take h m please
Oh my thank you
Um what do you want to talk about
Ye Myeong s h ding in your place..r ght?

No ㅡ,
he is not.
So he was staying at his place all along
MM
Oho ?
By the way doesn't his cleanly taste bother you?
Yeah
Last night I didn't took a shower because I was too tired
But he kicked me out of the bed for that
Ah you are here
By the way, I know you have a big place Why do you guys have to sleep on the same bed?
Sorry
Ye Myeong tired

JS
But I would not perfer calling me out for personal favors.
Long time no see, professor He Jin Hyeon.
Look who is talking.
If so, you should not have started it in the first place.
I am asking you directly
Who the @^#$ did it?
Even after knowing he's my dear son.. who's the idiot that dared to leak the information?

JS
You know well that we cannot ....
Of course, I am not asking for free.
I will give this P.I.L.p Lee to you
Haah ?!
Inactive period
Move
New album
Marriage
Comeback
Drama
Scandal
Even retirement !

If you want it now, I will let you have an exclusive interview with him, how about that?
fainted
You can do such a favor for your friend, right ?
Um... ma'am, that's not something you can decide
Yeah no one s going to believe it
Believe it
Just who do you think I am ?

That was mean ~~~
I am sorry, Mr. president.
I am sorry, Mr. manager.
I have every r ght to
Why are you mak ng too much of it?
Do you really th nk I w ll let them do that?
An exclus ve nterv ew ? don't make me laugh

I now know what leaked the nformat on
t s t me to f n sh h m off
H s career s so over
And the reporter I shall show who not to mess with
Now – there will be an article explaining what happened. So, I guess I can leave freely now.
Eh ?
Wait
You
If you get any better when I return aga n I m ght cons der you for a new program
Are you go ng back ?

Alone ?
He still doesn't like beans right?
Feed him well At least while he is staying at your place
He Ra will take care of him

JS
What ?
The art cle your mother d dn't wrnte it

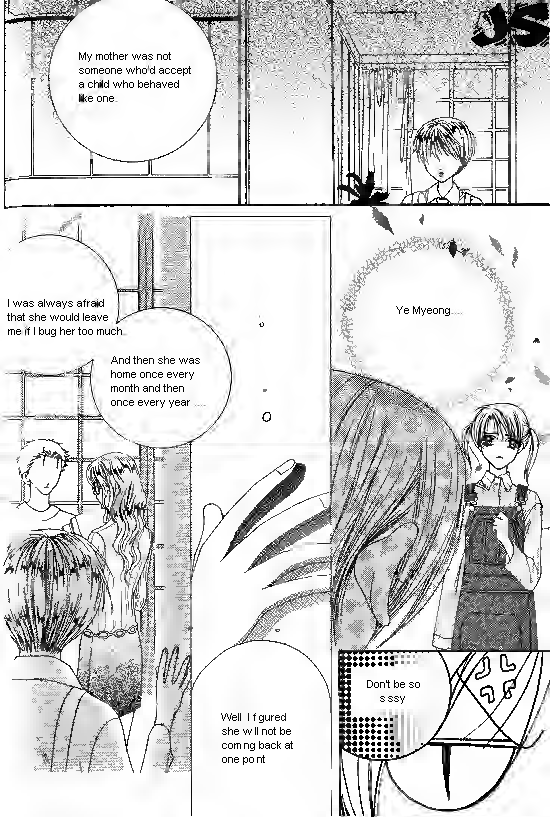
I was told your son had debut as a scenar o wrter
No my son s only a h gh school student
Then who s J Uoo Han ?
That name is a fan name I use when I target teenage viewers
What? Th s
I d d not want v ewers to be aware of that He J n Hyeon wrote th s and wanted them to see n a refresh ng manner
Ah s that so? Thank you for your time

If my mom didn't do this, then who did?
What? That jackass?
Why didn't she say so then ....
Ye Myeong, wait ....
I do not want to see your face ever again !!
And then I did not answer any calls and have been hiding at Pil Lip's place ....

You probably ran off even before she could say anything
I wish you talked to her more
That would have been great
I was afraid
It would have been nice if you shared your hardship with her. Then this wouldn't have happened

You probably ran off even before she could say anything
I wish you talked to her more
That would have been great
If you have let her know that being left alone is too lonely and cold
I was afraid
It would have been nice if you shared your hardship with her
Then this wouldn't have happened



My mother was not someone who'd accept a child who behaved like one.
I was always afraid that she would leave me if I bug her too much.
And then she was home once every month and then once every year....
Ye Myeong....
Well I figured she will not be coming back at one point
Don't be so sissy

Your appearance s already s ssy enough
What after all you wanted her to be with you
Well aren't you go ng to catch her ?
She w ll be leav ng soon
Well no matter how it s they are mother and son

JS
Th s may be your last chance
I am not really comfortable with this kind of stuff !!
벌떡
Damn it
